The Gemunder Art Violins are to-day acknowledged the standard violins of the world. Sarasate, RUDOLF GEMUNDER. considered by many the greatest wizard of the violin since Paganini, has expressed his satisfaction with the Gemunder violins, in a personal letter to Mr. Gemunder, and endorsed their excellent attributes in the warmest manner. Much of the success obtained by the firm is due to the natural acumen, trained intelligence and expert knowledge of the two sons, A. M. Gemunder and Rudolf Gemunder. Both these gentlemen are skilled artists in their profession, and, while possessing the natural culture and refinement befitting their position in life, they have been brought up at the violin bench and possess a wide knowledge of every detail in the business. Of late years Mr. A. M. Gemunder has more especially looked after the financial and administrative departments of the business, spending a portion of his time on the road, and Mr. Rudolf looks exclusively after the home interests. August Gemunder Sons obtained high honors at the Columbian Exposition in Section I, and their exhibit was much admired by all interested in fine work.
