*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

When she returns to the community just days before Christmas, her father turns her away. After running her car off the road in a blizzard, Grace ends up at the mercy of Ethan Bontrager, the man whose proposal she'd refused before leaving the community. Will the two of them be able to put the past behind them while trapped together in a blizzard? THE CHRISTMAS PRAYER: The day before school lets out for the holiday season, students are asked to submit a confidential and unselfish prayer to their teacher as an end-of-the-year assignment. When two of the students realize they share a common prayer, they join forces to make certain those prayers are answered. Will their shenanigans bring two broken families together, or will their efforts be in vain?.
