The best time for taking the waters at home is in the morning, fasting; but if that manner is attended with any inconvenience, they may betaken at meals; in the latter case they may be mixed with wine, spirits or tea. In the different forms of Gravel and other forms of Kidney Disease, it has long been recognized that alkaline waters have a most surprising effect, and foremost among these is the Elisabeth Water. In diabetes the Sainte Marie water has been found very useful. This disease is the result of an imperfect assimilation caused by a deficiency of the natural alkaline elements existing in the system. By supplying this want the Sainte Mario waters restore the natural functions...
