Playing in the leaves is something all children do; twins Steven and K.C. are no different. One autumn evening the five year olds ask to go out and play until dinner is ready. What happens that night will haunt Steven for the next twenty years. Nightmares return every autumn to remind him of what happened and what he saw. Now on the night of Steven's twenty-fifth birthday, his thoughts are on the brother he lost so long ago. While crossing the yard the nightmare becomes a reality with his young daughter caught in a frightening struggle. Can he stop history from repeating itself?.
